

Adoptive Parents, Race, and Children's Ethnic Communities

Chris Winston

Korean American Adoptee Adoptive Family Network,

I will be using examples from my book [A Euro-American on a Korean Tour at a Thai Restaurant in China](#) to explore issues related to inter-ethnic families. I will talk about the following topics from the perspective of a Caucasian adoptive parent of Asian children who are now adults:

1. What I have learned and am still learning about Race
2. How my experience of Race and adoption is different from my children's
3. How to make meaningful connections to an ethnic community
4. What boundaries exist for adoptive parents connecting to ethnic communities
5. What is reasonable for adoptive parents to expect from ethnic communities.
